PROCLAIMING JESUS FOR 15 YEARS

Fifteen years. It doesn't seem that long ago in many ways, yet in others, it feels like ancient history. In 2005, YouTube was launched, Hurricane Katrina ravaged the Gulf Coast region, and North Korea announced it had nuclear weapons.

That was also the year when God placed it on Nick's heart to launch Life Without Limbs. Since those early days when the office was in Nick's living room, people around the world and from all walks of life have been saved through his powerful messages and the outreach of this ministry.

Since then, we've grown to 17 full and part-time team members and are committed to a razor-sharp focus on four ministry areas: Prayer & Encouragement, Live Outreach Events, Digital Ministry, and Prison Ministry.

We've also amassed thousands of stories of victories over Satan. In prisons and jails across America, inmates are turning their lives over to Jesus after hearing the Good News through Life Without Limbs. Our live outreach events have been on hiatus through the COVID-19 pandemic, but millions access our videos and other materials on our website and social media platforms. And our virtual Praise and Prayer Wall is covered with prayer requests and messages celebrating God at work through everyday people.

Nick is passionate about helping people understand that God has a meaningful and purpose-filled plan for every life. In Nick's words, "God took my life – one that others might disregard as not having any significance – and He filled me with His purpose and showed me His plans. He wants to do the same for every person on earth – and **that is why we Proclaim Jesus every day.**"

We are so grateful for God's hand on this ministry, for our faithful supporters, and for all who pray that we remain open to God's leading and boldly step out in faith for Him.

Thank you for standing with us.

TOGETHER, WE'RE REACHING THE WORLD FOR JESUS!

A MESSAGE FROM NICK

It's tempting to set small goals because we know we can pull them off. But God calls us to big goals – even seemingly impossible goals! That's how some may have viewed our \$300,000 goal for the Proclaim Jesus 2020 Campaign.

But thanks to you and others who listen to Jesus and claim His promises in faith, we met this goal and are empowered to spread the Gospel like never before.

Scripture tells us, "Devote yourselves to prayer, being watchful and thankful" (Colossians 4:2). As we remained home in recent months, God never left our sides! What a joy to talk to Him anytime, anyplace, about anything.

On behalf of all who met Jesus through the ministry of Life Without Limbs, and for the countless more who will be reached, thank you for praying and giving so **together, we can reach the world for Jesus!**

DIGITAL MINISTRY

USING THE POWER OF TECHNOLOGY TO EXPAND OUR REACH.

We know that God's power is not limited by technology or distances. For example, when Nick's father passed away, Nick had to cancel speaking at a youth event in Australia. He recorded a video instead. Out of the 3,500 attendees, **1,000 made first time commitments to Christ...**from a prerecorded video.

"MY GOODNESS, THIS IS A GOD MOMENT"

We have a ministry for people who are homeless and drug-addicted in Canada. The folks we serve have histories of drug dealing, prostitution, and gang life. They are hurt people with a hard shell.

Last night, we had worship music on, but that didn't reach them. They just shuffled around aimlessly. Frank decided to look for a video to reach them. We stumbled on Nick's message at the Rock Church where he called out the drug dealers to come to the front of the church and get saved.

Maybe it was because Nick doesn't have limbs. Maybe it was because Nick said that it's harder to live in a broken home or to have a broken life than it is to have no arms and legs.

But whatever it was, all of a sudden the people stopped their aimless wandering, came and sat down rooted to the screen watching you.

We thought to ourselves, "My goodness, this is a God moment!" They were really tuning into what you were saying.

When Frank asked them to follow Jesus like you were doing on the screen, seven people stood up. That's nearly half of the audience!

Thank you for bringing seven more Canadian souls into the Kingdom. You have really blessed us with your message.

- Frank & Lynn

PRISON MINISTRY

WINNING INMATES TO JESUS, DISCIPLING THEM, AND TEACHING THEM HOW TO BRING OTHERS TO CHRIST.

"Free In My Faith has helped me understand that God transforms burdens into blessings, trials into triumphs, and hardship into hope. As I face challenging days ahead, now I know God's peace and presence in ways I've never know before. Thank you for sharing and blessing me with your Godly leadership." - Angela

LIVE OUTREACH EVENTS

SATURATING THE WORLD WITH THE GOSPEL AND UNITING THE BODY OF CHRIST.

Due to COVID-19, LWL has pivoted to virtual outreach events. In April, we held a virtual evangelism event called "The Greatest Cure" that reached over 757,000 people. Here's one comment from the hundreds we received...

"Thank God for you Nick. I listened to every word, and prayed with you. I am so grateful to God because He answered my morning prayer today to show me how I can help others know Him. Also, for me to truly start walking with Him as my focus, and to let Him have ALL my fears." - Denise

PRAYER & ENCOURAGEMENT

CONNECTING PEOPLE TO JESUS BY PRAYING WITH THEM AND FOR THEM.

"I was very sick earlier this year when I got a call from a staff person at Life Without Limbs. She asked if I needed prayer and I sure did! A few months later, I got another call and was surprised to learn that the staff at Life Without Limbs had continued to pray over my request. I just think that's so incredible that they would take the time to call and offer prayer and continue to pray. It's made a huge difference in my life, and I'm just so thankful for the Life Without Limbs ministry." - Bonnie
