REACHING THE WORLD FOR JESUS

NOVEMBER 2017

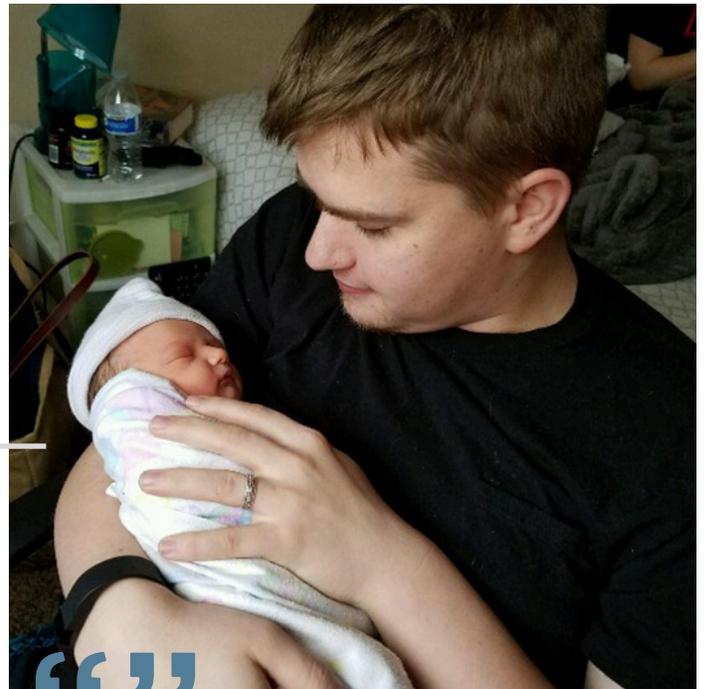

I'M ABSOLUTELY
POSITIVE
THAT GOD SPOKE TO ME
THROUGH YOU!

DEAR NICK,

In 2009, I heard you speak at Camp Pendleton. At the time, I was suffering a lot. I had a shoulder injury and was being medically discharged from the Marine Corps I loved. Being a Marine meant the most to me in this world and I'm still trying to find my way professionally outside of the Corps. Even though it was an honorable discharge, one official told me that wasn't the case and that I'd only be a drain on my family and friends for the rest of my life.

I was suicidal. I had already attempted suicide once. After that attempt failed, I spent a brief stint in psychiatric care. I only told them what they wanted to hear so they would release me. I planned on doing whatever it took to end my life as soon as I got out.

Then you came and talked to us at Camp Pendleton. **I'm absolutely positive that God spoke to me through you! I didn't know how things could get better, but I knew they would if I just trusted God.** I sought help and, though I've been depressed, I've never seriously considered suicide again.

I DIDN'T KNOW HOW THINGS
COULD GET BETTER, BUT I
KNEW THEY WOULD IF I JUST
TRUSTED GOD.

Since then, I met a wonderful woman, got married and now we have a beautiful son! **I would have never had the chance to meet my wife nor known the joys of fatherhood if not for your words, kindness, and testimony.** Thank you for everything you've done for me, Nick. Though we only talked briefly, you've been one of the most important people in my life.

Matthew

DEAR FRIEND,

I am so excited to welcome you to our first edition of Unstoppable Faith because it tells the story of the difference you are making because of your support for Life Without Limbs. As a prayer and giving partner, you are invested in the life of every person who comes to know our Savior or commits to a deeper walk with him through a Life Without Limbs ministry program. Our goal through this newsletter is to share powerful stories of people who have been spiritually transformed so your own faith is strengthened as you see God at work.

In this issue, you'll meet a Marine who was ready to give up on life – until he heard me speak at Camp Pendleton a few years ago. God pulled him back from the brink of suicide and today he is totally committed to Jesus. You'll also read about the four main areas of our ministry – **live events, digital evangelism, prison ministry, and prayer and encouragement.**

So please take a few minutes to read what God is doing as we partner together through Life Without Limbs. Celebrate with me the amazing promise from God that His Word "will accomplish what I desire and achieve the purpose for which I sent it" (Isaiah 55:11). Thank you for your ongoing prayer and financial support that makes this ministry possible – and that encourages me every day as I proclaim the Good News of hope in Jesus Christ.

In Him, Through Him, For Him,

Nick

HOW YOUR *Gifts* ARE *Helping*

Support from our generous donors has enabled Nick and Life Without Limbs to share the life-changing message of the gospel of Jesus Christ with **670 million people** around the world. Of those, **1 million people** placed their trust in our Savior. We are putting those gifts to good use in these four ways.

LIVE EVENTS

Your support of Life Without Limbs sends Nick in person to speak from the heart with passion and conviction about Jesus. In addition to speaking at churches, stadiums, and schools, we've launched our most ambitious project yet in 2017: the tent. This traveling tent is 64,000 square feet and seats 8,000 people. More than 5,000 heard about Jesus at our first four-week tent outreach event, with 363 people joining the family of God.

"I feel wonderfully blessed to have attended the tent event in Newbury Park! I left my house last night after dealing with my daughter who is addicted to heroin. I drove there ready to drive into a tree. By the time I left, I felt ready to pick myself up and I knew I could rely on the Lord to keep me fighting the battle. Thank you, Nick. The Lord knew where I needed to be."

DIGITAL EVANGELISM

Thanks to technology, the gospel is being preached in more places than ever before. Thousands of people around the world watch Nick's messages via digital interface, whether it's TV broadcasts, church simulcasts, or pre-recorded videos on the internet.

"I love seeing Nick, even if it's by video. How could you not listen when a man with no arms or legs can be so confident?"

PRAYER & ENCOURAGEMENT

We receive hundreds of prayer requests through social media and the prayer wall/live chat feature on our website. Not only does our full-time Correspondence Specialist respond to every request, but Life Without Limbs staff read each request and pray together daily.

"My son was bullied and had kids telling him to kill himself. Praise God for Nick's bullying video! Please pray God will bless my son with self-confidence. He is a kind, loving soul with a heart for God. It breaks my heart that people did this to him. Nick, you have no idea how much you helped."

LIFE WITHOUT LIMBS' MISSION IS TO...

Cross Boundaries & Break Down Barriers to Build Bridges that Bring People to the Love and Hope Found in Jesus Christ.

PRISON MINISTRY

Launched in 2017, our prison ministry has distributed video messages by Nick that are being seen by inmates in 1,300 prisons and 450 jails across the U.S. The videos are based on Nick's message at Telford State Prison in 2016. We have also developed a 7 session discipleship curriculum that includes video messages and a workbook that will launch in the next few months.

"Nick made me feel good about myself and made me realize that I am forgiven. Keep up the great work guys! You are really needed in these places."

HERE I AM.

TO REACH THE WORLD FOR CHRIST

“ ”

NICK, YOU GO WHERE I CAN'T. YOU MEET AND TOUCH PEOPLE I NEVER WILL. YOU BRING A MESSAGE OF HOPE AND LOVE AND LIGHT TO MORE THAN I WILL EVER SEE. BUT I FEEL THAT I CAN DO ALL OF THAT THROUGH YOU. YOU ARE THE LEGS THAT CARRY ME AROUND THE WORLD. YOU ARE THE ARMS THAT HUG THE PEOPLE I WISH I COULD REACH. I AM SO HAPPY TO HAVE THE OPPORTUNITY TO GIVE MY LOVE TO THE WORLD THROUGH YOU. THANK YOU.

- MONICA, HOPE PARTNER

We have a call to reach the world with the life-changing gospel of Jesus Christ. We do our best to answer that call in our circles of influence, but what about the rest of the world where it's getting darker every day? How can we share the good news about Jesus with the millions of people who are desperately searching for hope?

Since our founding in 2005, God has provided a way for Nick to reach millions with the gospel. God is using a man born with no arms and no legs to be His hands and feet! It's amazing to see doors open to Nick that are closed tight for other evangelists...simply because of his disability and the way that God has radically changed and empowered his life.

As a giving partner with Life Without Limbs, you are answering Jesus' call by sending Nick and our team to the harvest field. By partnering with Nick as a monthly Hope Partner, you are taking a stand and making a commitment to send Nick to the corners of the earth, to the lost and the hurting who desperately need the powerful life-changing message that Jesus saves.
