

UNSTOPPABLE FAITH

OCTOBER 2020

I THINK YOU MAY HAVE SAVED MY LIFE

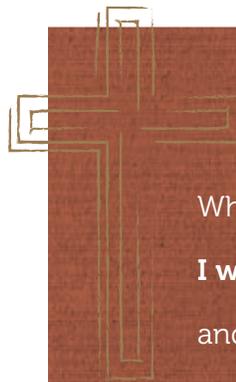

Ever since COVID-19 spread like wildfire around the world, people are spending a lot more time online. Many are desperately searching for someone or something to calm their fears, and we are there to tell them God loves them.

Life Without Limbs' Digital Ministry continues to grow because of your support so people everywhere are transformed daily by the Gospel. Check out these stories we received in just one day on our Facebook page.

"I don't know if you'll ever see this message, but I just wanted to say that I think you may have saved my life...more than once. I'm suicidal but started listening to one of your talks once a day and it helps me a lot. Thank you."

"After my husband passed on in 2013, I thought it was the end of my life. I forgot that I still have my children to take care of. I couldn't even bathe for three days because there was no reason to do so. All I did was cry. One of my friends started to send me your videos. I was like, wow... I prayed hard, asked God to help me regain my strength. I looked at my children, then I saw how much they need me. I stood up. And I still stand. That's the reason I love you so much, Mr. Nick."

Thank you for helping make these stories, and thousands more, possible.

When you pass through the waters,
I will be with you;
and when you pass through the rivers,
they will not sweep over you.
When you walk through the fire,
you will not be burned;
the flames will not set you ablaze.

– Isaiah 43:2 NIV

A MESSAGE FROM NICK

It's easy to focus on what we've missed because of the pandemic, but what's been gained? This may have been a time to reflect on God's promises and build your prayer life. You may feel deeper compassion for those who don't have hope in Jesus during challenging days.

Thousands of others have gained eternity through Life Without Limbs' online resources. What a joy to hear how Christ transformed their lives and gave them peace in a turbulent time.

We trust God to give us more opportunities to share His grace with a world desperate for lasting hope. **Beginning November 1, you can join us in our "Be the Match" Giving Campaign and help us reach 1 billion more people for Christ.** God is "well pleased" when we do good and share (Hebrews 13:16), so join us and help share the Gospel through this final campaign of 2020.

Together we can connect people to Jesus like never before!

DIGITAL MINISTRY

SHARING THE GOOD NEWS WITH MILLIONS THROUGH THE POWER OF TECHNOLOGY.

"I was born and raised in an Islamic home. But you are one of the many reasons why I decided to follow Christ. Thank you, Nick. You're an inspiration."

WHEN ALL THE WORLD HEARS

The Bible says that Jesus will return once all people on the earth have heard the Gospel. At Life Without Limbs, we believe digital technology is one way this will happen. That's why we're investing resources to expand our Digital Ministry so everyone will hear about Jesus. Here's how...

- Our brand-new website launched in September. Check it out at **LifeWithoutLimbs.org** and sign up to receive email updates!
- We're building strategic alliances with other Christian ministries to significantly expand our reach around the world.
- We created and staffed, a much-needed new position, Director of Programs & Digital Ministry.
- An evangelism training and discipleship program to equip God's army is currently being developed.
- Thanks to a generous donor, a one-hour TV special called "*Nick Vujicic: 15 Years of Telling HIStory*" will air on Daystar in late October.
- We launched a new monthly topic-specific, virtual-event series called *Relentless*. Every month, Nick will share how people can overcome specific challenges.

PRISON MINISTRY

WINNING INMATES TO JESUS, DISCIPLING THEM, AND TEACHING THEM HOW TO BRING OTHERS TO CHRIST.

"Your program is the first time someone helped me really understand that Christ loves me no matter what. Now I feel free to share that love with others. Thank you!" - Female Prison Inmate

COVID-19 forced prisons across America to shut their doors to outside visitors. But this hasn't stopped God! Thanks to your support, our Prison Ministry is still going strong. We pivoted to virtual *Free in My Faith* instruction using Zoom. In one state, out of 92 counties, 89 have our video content. And it's growing exponentially from there.

PRAYER & ENCOURAGEMENT

CONNECTING PEOPLE TO JESUS BY PRAYING WITH THEM AND FOR THEM.

"Please pray for our country. We are suffering in Nepal because of COVID-19."

Our team was honored to pray for 1,214 people last quarter. You can send us your prayer requests and partner with us in prayer on our new Prayer page at LifeWithoutLimbs.org/resources/prayer/.

LIVE OUTREACH EVENTS

SATURATING THE WORLD WITH THE GOSPEL AND UNITING THE BODY OF CHRIST THROUGH LIVE AND VIRTUAL EVENTS.

"My husband was so moved by Relentless: Overcoming Despair that he asked us to donate to Life Without Limbs for his 60th birthday in lieu of presents!"

COVID-19 has forced Life Without Limbs to temporarily cancel live events. In the meantime, we've pivoted to virtual outreach events. In August, we premiered our new Relentless series which was watched by thousands. Join our email list at LifeWithoutLimbs.org to keep updated on our future events.
